*Note as at date of publication, the government restrictions around weddings and receptions is that you are allowed 15 guests max to include the couple (and excluding suppliers and venue staff)

The details

There is nothing we love more than helping our wonderful couples have the very best day of their lives. We've put this together to support couples who want to marry but may face restrictions on the number of guests they are allowed. This offering is for small weddings of up to 15 people, dependent on government restrictions.

You are free to choose the start and end time of your 5hr package. We've suggested two different options below - an afternoon package, and an evening package. But these are just suggestions, we can work with you on your preferred order of the day.

You can of course extend this package if you'd like to enjoy Pangdean for more than 5hours - just get in touch and we can work out your ideal day and budget.

Example - AFTERNOON WEDDING

- 1.30pm - Guests arrive
- 2.00pm - Ceremony in the garden or Stable
- 2.30pm - Canapé and sparkling wine reception
- 3.30pm - Two course seated meal followed by fresh coffee and leaf tea
- 5.15pm - Perhaps informal speeches and cutting wedding cake (couple to provide)
- 6.30pm - End time

Example - EVENING WEDDING

- 5.30pm - Guests arrive
- 6.00pm - Ceremony in the garden or Stable
- 6.30pm - Canapé and sparkling wine reception
- 7.30pm - Two course seated meal
- 9.15pm - Perhaps informal speeches, followed by fresh coffee, leaf tea
- 10.30pm - End time

What's included?

IT'S ALL TAKEN CARE OF!

All you need to arrange is your Registrar. Oh and the rings!

Included in our package:

- Exclusive use of our beautiful Pangdean venue - our Grade II Listed Barn with sofa scene, and adjoining Stable room, covered courtyard, luxury cloakrooms, walled garden and garden furniture (weather permitting), lit chimeneas in outer courtyard, ivy troughs and olive trees, microphone and background sound system, lanterns, candles and nightlights throughout the venue.
- Ceremony in the Stable or Garden
- Half a bottle of good quality Prosecco per person or cold beers, plus soft drinks.
- Live webstreaming of your ceremony
- Selection of delicious homemade canapés
- Fresh leaf tea and our signature coffee blend
- Simple flower arrangements scattered around the venue
- The service of four of our super staff

Everyone's invited

LIVE WEBSTREAMING

You may have many more people that you planned to share your day with. Perhaps they are shielding, or perhaps are now not able to travel. We will live web-stream your ceremony and provide you with a secure url to share with your loved ones. They will be able to clearly see and hear your and your beloved exchange vows and be officially married.

Our high-spec camera and microphone will capture this precious moment in high-definition, and can be placed in any of our ceremony venues.

This is also a wonderful way to include lots of people who you perhaps might not have been able to accommodate on your guest list, or those who are overseas and unable to travel to the UK.

We provide you with a one-click link that will allow your virtual guests to watch your ceremony as it happens. They will be able to watch and leave comments for you to enjoy later.

Now no-one needs to miss out on your beautiful wedding!

Staying safe

Your safety and that of your guests is our primary concern. Our weddings will be offered in conjunction with government advice. We will do all we can to ensure you can enjoy your magical day as safely as possible. This currently includes:

- Virtual or socially distanced tours so you can 'see' Pangdean completely safely
- Live webstreaming of your ceremony is included in your package should you want it. This means you can share a private link with your loved ones so that they may safely enjoy your wedding, from wherever they are in the world.
- All our staff are temperature checked before working. We can offer this to your guests if this puts your mind at ease.
 - We have meticulous hygiene practices in our preparation for your wedding.
- During your reception, we unobtrusively ensure communal surfaces such as door handles are cleaned several times
 - Our staff wear gloves and masks for prep and service
- Hand sanitisers are made available at several locations around our venue

These practices may be updated as advice changes.

We are delighted to discuss this with you and answer any questions you may have.
